Create an Account

Go to www.uhcsr.com in your web browser. This URL takes you to the UnitedHealthcare StudentResources home page, from which you are able to access a comprehensive suite of tools. From the home page, you may create an online account by clicking the Create Your Online Account Now link in the Direct Links section on the right side of the screen.

This brings you to the first step in the Create an Account process.
Enter your first name, last name, and date of birth in the fields provided.

Next, enter your email address or your SR ID number and click the [Continue] button at the bottom of the screen.

**NOTE:** Your SR ID number is the 7-digit identification number found on your UnitedHealthcare StudentResources Medical ID Card.

**NOTE:** If you use your email address in the account creation process, you will need to use the same email address provided to us during the enrollment process. If you enrolled online, use the same email address you used when you enrolled. If you enroll through your school, use the same email address your school has for you. We’ll use that email address in the matching process to ensure we match you with the correct claim information. If we don’t find a match in our system for the email address you provide, you’ll receive a message instructing you to call our Customer Service Department where they’ll assist you in creating your account.
In step two of the process, you can change or update your email address and will be required to choose a user name and password.

Your user name must be between 6 and 30 alphanumeric characters. Your password must contain between 8 and 12 characters, and meet at least three of the following four rules:

- Contain an uppercase character
- Contain a lowercase character
- Contain a numeric character (0–9)
- Contain a special character (e.g., ?, %, *, $, etc.)

You will use this user name and password to log into the site during future visits, so please be sure to record them.

**NOTE:** Please note that by logging into your account, you’re consenting to electronic delivery of correspondence from UnitedHealthcare Student Resources. If you would like to receive paper communications by mail, you may go to My Email Preferences to indicate your preference. You must have a valid mailing address on file.

Click the [Submit] button at the bottom of the page.
**Account Creation Success**

Upon successful creation of your online account, you’ll see the following confirmation screen.

Additionally, an email will be sent to the address provided as further confirmation of successful account creation.
