Select the "Buy College Student Health Insurance Now" tab from the home page.

Enter your school’s name and then select your school from the search results.

After carefully reviewing your policy materials, select the “Enroll Now” link from the menu.

Confirm that your school name and campus location (if applicable) are correct.

Enter basic information about the student and select “Continue”.

Select your plan and optional coverages, if applicable.
My Account

Go to www.UHCSR.com and log into your account.

You can have access to Current Coverage Information, View or Print ID Card, and other services through My Account.

Click on View My Claims to check the status of your claim.
