New UHC Student Center website and app!

Student Center is the companion site to Partner Center that students use to complete a waiver or enrollment form. The new site offers a fresh new look that is cleaner and easier to navigate. Whether students are using their desktop, tablet or smart phone, they will find the same information and essentially the same look in our new responsive design.

**Features of the newly designed mobile website & app:**

- Students will now be able to easily complete their waiver or enrollment form using their desktop, tablet or smart phone.
- Students can upload their insurance ID cards as a part of the waiver submission in Student Center. (If required by the school)

**Please find the StudentResources Mobile App in both the App Store and Google Play or at studentcenter.uhcsr.com in your smartphone browser**
