A review of your Free Application for Federal Student Aid (FAFSA) indicates that the Selective Service reported that you have not registered with them. In order to determine your eligibility for Federal Student Aid, all U.S. male citizens are required to register with the Selective Service. If you are a male, and are 18 through 25 years of age, and have not registered with Selective Service, you can do so by completing a Selective Service registration form at your local post office or register online at [www.sss.gov](http://www.sss.gov). A complete listing of who must register may be obtained at [www.sss.gov](http://www.sss.gov).
