Updated 4.21.2020

Due to financial hardships caused by the COVID19 public health emergency, the University System of Georgia is taking action to immediately reduce costs to students during these unprecedented times. For Summer semester 2020, all courses will be offered online only. As a result, all mandatory fees have been eliminated, excluding the Technology Fee and Special Institutional Fee, to include lab fees, course fees, and program fees.

All tuition charges, fees, board, or other charges are subject to change
