GSU Payment Plan Enrollment

To enroll in the payment plan, first log into your PAWS account and click on the “View/Pay Account” button.

Click the "PantherPay" button:
Once connected to PantherPay, click the "Payment Plans" tab:
Locate and click the "Enroll Now" button:
From the Select Term drop-down menu, select the appropriate term:
The term you selected will display, along with the setup fee and the number of installments. After you have reviewed the plan information, click "Select" under the **Action** column to continue:
The payment plan details, and payment schedule will display for your review. Select the "Continue" button to proceed or click "Cancel" to stop the enrollment process:
Next, you will be asked to provide a payment method to use for the down payment and scheduled installment payments. Choose the payment method you would like to use and click "Select" to proceed with enrollment:
Next, you will need to provide the banking or credit card account information. After you have entered your account and billing information, click "Continue" to proceed with enrollment:
STOP: This page is important. Please read the payment plan agreement before you select agree. This agreement contains pertinent details related to your payment plan to include scheduled installment due dates. After you have reviewed the agreement, select the "I Agree" box and "Continue" to proceed:
**STOP:** This page is the user's agreement to allow GSU to automatically process the future installments for the payment plan. After reviewing this page, click the "I Agree" box and click "Continue" to proceed:
Congratulations! This final page shows the payment receipt for the down payment and confirms your enrollment in the plan. A payment receipt and a copy of the payment agreement will also be emailed:
