

[UHC Student Center website and app!](#)

Student Center is the companion site to Partner Center that students use to complete a waiver or enrollment form. The site offers a fresh look that is cleaner and easier to navigate. Whether students are using their desktop, tablet or smart phone, they will find the same information and essentially the same look in our new responsive design.

Features of the newly designed mobile website & app:

- Students are able to easily complete their waiver or enrollment form using their desktop, tablet or smart phone.
- Students can upload their insurance ID cards as a part of the waiver submission in Student Center. (If required by the school)

Please find the StudentResources Mobile App in both the [App Store](#) and [Google Play](#) or at studentcenter.uhcsr.com in your smartphone browser

Mobile-friendly website

The screenshot shows a mobile-friendly website interface for Georgia State University. At the top, it displays the UnitedHealth Group logo and the SR logo. Below the university name, there is a link for 'Waiver Information'. The main content area is titled 'Waive Coverage' and includes a close button. Underneath, it says 'Step 1 - Student Validation' with a progress indicator. A friendly message reads 'Hi There! Help us identify you.' The form includes a 'Birthday' field with dropdown menus for Month, Day, and Year, and a 'Panther ID # (EX. 123456789)' field. At the bottom, there are icons for 'Need Help?' and 'Secure Email'.

StudentResources Mobile App

The screenshot shows the login screen of the StudentResources Mobile App. It features the UnitedHealthcare logo and the text 'StudentResources'. There are two input fields for 'Username' and 'Password'. A 'Log In to My Account' button is positioned below the password field. A 'Save Username?' toggle switch is set to 'Yes'. Below this, there is a link for 'Forgot Username or Password?'. At the bottom, there are two buttons: 'Create Account' and 'SACM Member'.
