Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "Verification." The investment, business, and/or investment farm asset information portion of the 2021-2022 FAFSA was incomplete. Please complete the following section of this form.

Read the instructions below and complete the chart according to your dependency status.

- INDEPENDENT STUDENTS:** Complete the "Student/Spouse Assets" column. You must provide information about your (and your spouse's) assets. If you are divorced or separated and you and your spouse have jointly-owned assets, provide only your portion of the assets and debts. Be sure to list assets held in trust for you (and your spouse).
- DEPENDENT STUDENTS:** Complete the "Parent Assets" and "Student/Spouse Assets" column, if parent/stepparent information was required on the 2021-2022 FAFSA. If you are providing information for only one parent (parent is single and/or has not remarried) and that parent has jointly owned assets, provide only that parent's portion of the assets and debts.
- DO NOT LEAVE ANY BLANKS.** If the correct amount is zero, write in (0). **If an amount is left blank the form will be considered incomplete and will not be processed.**
