

Federal regulations (HEA Sec 479A(a)) permit the Office of Student Financial Aid the ability to exercise professional judgment to make adjustments to a student's annual estimated Cost of Attendance (budget) if a special or extenuating circumstance(s) exists that has a significant financial impact on the existing budget. A student has the ability to submit a Budget Appeal along with supporting documentation to request a reevaluation to adjust certain components in the budget.

### **Definition of a Budget**

The Office of Student Financial Aid establishes each academic year an annual estimated Cost of Attendance (budget) with commonly accepted expenses such as tuition, fees, book, supplies, room and board, and personal living expenses (20 U.S.C. Sec 1087II). This estimate is developed based on certain common data for our student population.

### **Appeal Decision**

Based on the information reported in the Budget Appeal and supporting document(s), your budget will be reevaluated. If the appeal is approved, you will be awarded additional loan eligibility, or in some cases the adjustment to the budget will resolve a loan over-ward (no additional loan funds awarded).

- If additional loan funds are awarded, the amount will be based on the amount increased in your budget **and** the maximum annual loan eligibility you may receive.
- If you have already been awarded the maximum Federal Direct Loans for **2022-2023**, then your options are:
  - Graduate: Direct Graduate PLUS loan or Private Education Loan
  - Undergraduate: Private Education Loan

***The appeal decision will be sent to your GSU email.***
